

## **AMAZING!!!!!!!**

By [Torrey421](#) - Feb 15, 2010

I used to live in Miami on South Beach. When I moved back home to **New Jersey**, I was so worried that I would not be able to find anyone who could **wax** like the woman I went to in Miami. Then I found Valentina.... who is even **BETTER!!!** She is very professional and talented at what she does. Her spa/salon is beautiful with a relaxing atmosphere. I travel up from Toms River to get my waxing done by Valentina and it is worth every minute of the drive!!!! Valentina is nothing short of amazing!

## **I travelled from Jersey City - SO WORTH IT!**

Valentina is by far the most talented when it comes to eyebrows! I heard/saw how wonderful she was from my mother who got her brows done by Valentina - Mom looks 10 years younger! I made an appointment, drove an hour, and after eleven years of getting them done - my eyebrows looked the best they ever have!!! I'm going back for microdermabrasion and a Brazilian in the next few weeks! Valentina is an artist; she's worth the drive, my only problem? How do I tell my old brow girl it's over? Thank you Valentina!!!!

## **Highly Recommend**

I was very nervous about getting waxed but Valentina is a **PRO**. The best part about her is how quick she is. She gets the job done fast (and she gets it done right). I will not go to anyone else for waxing after having been to the Aquamedica **spa**. Valentina did my eyebrows, and at first I was not sure that I liked it because I looked so different -but within a **day** or so I realized it was perfect and I looked so much better. You will not be disappointed with Aqua Med **Spa** -the whole crew is top notch.

## **Great spa in local area - waxing is their speciality**

By A TripAdvisor Member -Dec 26, 2009

I usually get waxed by Valentina at this spa. She does an amazing job. I get the brazilian bikini wax and Valentina make the experience very pleasant, considering the service that you are getting done. She is friendly and very knowledgeable. I have also had her wax my eyebrows, underarms and legs, and the job she does is always superb. I highly recommend Valentina for waxing - I have not found any better in New Jersey! I also find the spa to be very clean, professional and relaxing. I have had massages and facials there and have always had great experiences. I love going to spas and have been to ones all over the world. While this place is not the same as a luxury spa in Las Vegas or an island resort, it is very good for the Monmouth County area of New Jersey.

## **Valentina is not only highly skilled,**

On Thursday Valentina held a free eyebrow shaping clinic and I had such a great time. Located in the gorgeous Pier Village the **spa** was beautiful and the staff welcoming. I have been growing out my eyebrows since August after a bad series of waxing. Valentina shaped them into beautiful accents for my face and shared a ton of great tips and tricks throughout the night. She also had a makeup artist on hand to show ladies how to fill in brows that have been over plucked. Do not hesitate to make an appointment with Valentina

### **Fantastic eyebrow waxing**

By [miriamberezin](#) - Dec 16, 2009

I have very thick black eyebrows that were always unmanageable. That was until I met Valentina. Valentina re shaped my eyebrows to perfection and it makes a wonderful difference on my face. People are noticing and giving me compliments! The best part is that I love my eyebrows now! Valentina is very quick and makes me feel very comfortable. I have been getting my eyebrows waxed by her for about four months and am so very happy! Thank you Valentina!

I had a very good experience with Valentina who was very helpful and educated on what type of service would best suit me.. She suggested Microdermabrasion and it did help my skin. She also re-shaped my eye brows and WOW what a difference.

### **Best Waxing Experience**

I have been to several places for a brazilian wax and Valentina is by far the best. She is quick and the waxing is not as painful as compared to other places. Skin is hardly irritated after wards. Would definitely recommend! ...

### **Best Wax in Monmouth County**

By [Jessie](#) - May 26, 2009

I was recently laid off (another one bites the dust!) from my job in NYC, where I enjoyed my regular brazilian wax at a **day spa** near my office. Although I was reluctant to try a local place, but I am thrilled with Aquamedica **Spa**. Valentina is wonderful. She makes you feel comfortable straight away, and the best part: she. is. fast. I will definitely go back for my regular appointment, and I can't wait to try some of their other **spa** services.

### **The Best Eyebrow Shaping in NJ!**

By [Darlene](#) - May 7, 2009

Valentina is the best eyebrow designer around! I wouldn't let anyone shape my eyebrows for 2 years after having a bad experience but since I'm getting married in 2 months I researched and found Valentina. She did a fantastic job! And my arm wax was just as wonderful. If you are looking for the best look no further then Aquamedica Salon! Ask for Valentina!

### **Great Spa**

By [Ashley](#) - Mar 30, 2009

This was my first time getting waxed. Valentina was great and really knew what she was doing. The fact that she was a nurse helped with any insecurity. I will definitely be going back for my next one and recommend to anyone looking for a nice **spa**.

### **Waxing better than Europe at Aquamedica...**

By [amissry](#) - Aug 20, 2008

Aquamedica **Spa** is the best I have found! Everything you need is available in this clean and quiet **spa**. Valentina is by far the best in **New Jersey** for waxing. As owner of Aquamedica **Spa** in Long Branch, her **spa** is immaculate and gorgeous with outstanding service. Valentina's waxing technique is similar and even better than waxing services that I have had in Paris. She is a professional aesthetician, a former nurse, history teacher and opera singer. Visiting Aquamedica gets better each time as the staff gets to know each clients individual needs. I absolutely love it!
